

# CERTIFICATE

This is to certify that:

## VanDrie Group Food Safety Supply Chain System

Nijverheidsweg 11, 3641 RP Mijdrecht, The Netherlands

has been assessed by Lloyd's Register Nederland B.V.  
and found to conform with the requirements of the following standard:

**V3G Supply Chain Requirements  
(version 5.2 – January 2018, issued by LR – The Netherlands)**

Issued by: Lloyd's Register Nederland B.V.

Current Certificate: 10 November 2020  
Certificate Expiry: 30 November 2023  
Approval Certificate No: RQA0232446

Original Approval:  
27 November 2002

The Food Safety Management System is applicable to:

The development, production and supply of calf milk replacer, feed materials, compound feeds, premixtures and complementary feed, the purchase of calves, the control of the fattening and supply of veal calves, as well as the slaughtering of veal calves, the cutting, deboning, trimming, portioning, processing, scalding, packing, storage and delivery of veal, ready-to-sell veal, processed veal, scalded products and veal by-products.

These activities are governed by the "Safety Guard" system of the VanDrie Group.
